Those who slack today will have to have cold bean-soup noodles for dinner !

Nooo

Oh, no

No

Did you hear ?

Hear what ?

The chief had a fight with a human

Woah, and ??

Do you even have to ask ?

Ah, you are awake

I heard you are pretty strong ?

Nice to meet you, m'lady.

I am the head incubus Bernard, also in charge of the red castle etiquette

Please ...

Try not to fall in love with me

Incubus ?

... ...

May I ask who you are ?

I am the 6th queen of the red castle, Evil queen Yuria

And I thought this was a mere witch's castle ...

Hmm ...

Where did it go? It was her for sure ...

You are holding two companions of mine. Release them

It is out of my jurisdiction

Then bring me who can

Would you like to talk to me first ?

I am not interested in a lowly monster !

Hahaha ...

Don't laugh

Who is that? Is that the lord of this castle ?

The previous lord of the castle

He is on a long journey. We don't even know whether he is alive now
